

Dear Parent/Carer,

We are very proud and excited to be offering our Year 6 pupils the chance to complete their 'Young Adventurer Award.' This has been written especially for the pupils of St. Katherine's by St. Katherine's staff.

Hopefully, your child can explain all about this award to you! The award has been designed to offer Year 6 pupils the chance to learn and develop new skills, have fun, build confidence and help the local community – all things that coincide perfectly with our new school values. There are 4 different areas to complete (skill, physical, community and adventure) and depending on how these areas are completed and evidenced, pupils can achieve one of four levels of the award: bronze, silver, gold or platinum.

Pupils choosing to complete the award at any level, will each receive a Young Adventurer Award Journal which will explain each step of the award and can be used to collect evidence of their achievements. They will then receive their award at the end of the year to celebrate the successes they have achieved.

Although support will be given in school, the award is designed to be achieved outside of school.

If you wish your child to complete the award, please complete the form via this link:

<https://forms.office.com/e/DZcZ3B9C9V>

Your child can receive their journal and get started collecting their evidence for their award.

Yours sincerely,

Mrs Holt
