

## English

### Core Text and Reading for Pleasure Text:

#### Kensuke's Kingdom by Michael Morpurgo

- Children will continue to develop their understanding of narrative texts, with a focus on 'Finding Tales'.
- Children will further build on their knowledge of SPaG and how to apply this in a range of ways, including consolidating their understanding of relative clauses and expanded noun phrases.
- Children will continue to use a range of sentence structures.
- Children will continue to build on their narrative skills by describing characters, plots and settings.
- Children will write a 'Finding Tale'.

## Art

### Figurative Mixed Media

- Children will explore how things are portrayed and how it shapes our views.
- Children will explore what art says about the artist.
- Children will create layers using different media.

## Science

### Properties of Materials

- Children will know now that some materials will dissolve in liquid to form a solution and describe how to recover a substance from a solution.
- Children will use their knowledge of solids, liquids and gases to decide how mixtures might be separated.
- Children will demonstrate that dissolving, mixing and changes of state are reversible changes and that some changes are not reversible.

## Religious Education

### Christianity – What would Jesus do? Can we live by the values of Jesus in the 21<sup>st</sup> Century?

- Children will know some of Jesus' parables.
- Children will recognise how Christians try to follow Jesus.
- Children will explain the impact Jesus' teaching might have on Christians today.

## PSHE

### How can friends communicate safely?

- Children will learn about different types of relationships people have in their lives.
- Children will learn how to recognise risk, in relation to friendships and keeping safe.
- Children will learn what should and shouldn't be shared online.

## **Year 5**

### **Spring Term 2**

#### **2025**

### **Curriculum Coverage**

## Mathematics

### Fractions

- Children will find equivalent fractions
- Children will convert mixed numbers to improper fractions and vice versa.
- Children will compare and order fractions
- Children will add and subtract fractions.

## Geography

### Biomes

- Children will learn what the Earth's biomes are.
- Children will learn why the biomes are where they are.
- Children will learn why biomes are under threat.
- Children will learn what the features of the different biomes are.
- Children will think about how to persuade people to protect biomes.

## Computing

### Game Creator

- Children will know what some of the main elements that make a successful game are.
- Children will know how to make a playable game incorporating sound and media.
- Children will know how to effectively evaluate games.

## Music

### Developing Ensemble Skills

- Children will listen and appraise.
- Children will practise and perform improvisation.
- Children will develop their understanding of rhythmic and melodic patterns.
- Children will compose and perform their own music pieces.

## PE

### Swimming and Tennis

- Children will learn and apply the basic rules of tennis.
- Children will learn the skills used to serve, play forehand and backhand and compete in short rallies.
- Children will use an effective stroke to swim 25m.

## Stunning Start

Our term will start with an introduction to our geography topic 'Biomes' and our first art lesson exploring figurative mixed media.

## Fabulous Finish

Our term will end with the children creating their figurative mixed media piece in art.

### Visits, Visitors and Important Dates

EVENT	DATE
Achievement Assembly	Thursday 27 <sup>th</sup> February – 9:15am
Class and Group Photographs	Tuesday 4 <sup>th</sup> March
World Book Day	Thursday 6 <sup>th</sup> March
British Science Week	Monday 10 <sup>th</sup> - Friday 14 <sup>th</sup> March
Sublime Science whole school Assembly and Workshop for KS2	Thursday 13 <sup>th</sup> March
Animal Encounters whole school Assembly and Workshops for EYFS & KS1	Friday 14 <sup>th</sup> March
Comic Relief	Friday 21 <sup>st</sup> March
Scholastic Book Fair	Monday 24 <sup>th</sup> March – Thursday 27 <sup>th</sup> March
Parent Consultations	Wednesday 26 <sup>th</sup> and Thursday 27 <sup>th</sup> March 3:45pm-6:30pm
Kent Fire and Rescue Service - Fire Safety Talk	Friday 28 <sup>th</sup> March
Whole School 'Aspiration Day'	Monday 31 <sup>st</sup> March
CRIBS Easter Performance - EYFS & KS1 / KS2	Tuesday 1 <sup>st</sup> April
End of Term	Friday 4 <sup>th</sup> April

### How you can help...

We hope this guide will help you to get further involved in your child's education. You could:

- Visit the **local libraries** for information and research purposes
- Search the internet and **discuss any of our topics**
- Look out for **TV programmes/ podcasts to watch** and/or record
- Find **story books, poetry books, song books or newspaper articles** related to topics
- Support your child in **learning their spellings** and understand the meanings of these spellings
- Practise **multiplication tables and related division facts** on a weekly basis
- Use mathematics-based websites to **play games** and support the topic your child is learning
- **Listen to your child read** on a regular basis and discuss their text
- Encourage your child to **bring in research from home** to share with the class/discuss their own personal experiences
