

English

Core Text and Reading for Pleasure Text:

Brightstorm by Vashti Hardy

This term, our text focus is on recounts and we will be using these to inform.

- Consider audience and vary tone for formality and the required effect.
- Drop in asides, thoughts and relevant details.
- Present facts through a bias lens.
- Include reported speech and other viewpoints.
- Zoom into important events and move re-telling forward.

Art

Another Perspective

- Develop an understanding of how perspective can inspire art.
- Experiment with taking photos to capture perspective.
- Experiment with single point perspective.
- Explore the effects of positioning the vanishing point.

Science

Animals and their Living Things

- Describe the changes as humans develop to old age.
- Answer their own and others' questions based on observations they have made, measurements they have taken or information they have gained from secondary sources.

Religious Education

What does it mean to be a Muslim in Britain today?

- Identify what helps Muslims through the journey of life.
- Describe the key belief of Islam and explain how it affects their life.
- Explore the importance of prayer to Muslims.
- Recognise the importance of Zakah to Muslims.
- Explore why Muslims fast.
- Explore the importance of pilgrimage for Muslims.

PSHE

What job could I do?

- Learn to explore how personal interests and skills align with different careers.
- Explore how different careers operate in a workplace.
- Learn why people can have more than one career in their life.
- Explore different career routes and their requirements.
- Identify and challenge stereotyping in the workplace.

Year 5 Summer Term 2 2026 Curriculum Coverage

Music

Battle of the bands

- Play, improvise and compose using a selection of these notes: C, D, Eb, E, F, F#, G, G#, Ab, A, Bb.

Mathematics

Multiplication and Division

- Divide a 4-digit number by a 1-digit number.
- Divide with remainders.
- Solve problems with multiplication and division.

Fractions, Decimals and Percentages

- Multiply unit and non-unit fractions.
- Multiply a mixed number by a fraction.
- Find fractions of amounts.
- Order and compare decimals.
- Round to the nearest whole number.
- Identify equivalent percentages and decimals.

Geography

Energy and sustainability

- Identify what sustainability is.
- Learn about fossil fuels and whether they are sustainable.
- Identify what renewable sources of energy are.
- Explore the sustainable measures that have taken place in Curitiba and Freiburg.

Computing

Spreadsheets

- Use formulae within a spreadsheet to convert measurements of length and distance.
- Use the count tool to answer hypotheses about common letters in use.
- Use a spreadsheet to model a real-life problem.
- Use formulae to calculate the area and perimeter of shapes.

PE

Athletics, Swimming and Forest School

- Learn techniques for running at speed and distance.
- Explore throwing and jumping techniques.
- Compete in running, throwing and jumping events.

Swimming

- Click on the link for the swimming achievement goals.
[Swimming Achievement Goals.pdf](#)

Stunning Start

Our term will start with the children learning about sustainability in geography and exploring perspective in art.

Fabulous Finish

We will end the term with a whole school celebration of dances through the musicals.

Visits, Visitors and Important Dates

Events – Summer Term 2 2026

EVENT	DATE
Start of Term	Monday 1 st June
PTA Crazy Hair Day	Friday 5 th June
Secondary Transfer Meeting Year 5 Parents	Thursday 11 th June 5:30pm
Achievement Assembly	Thursday 11 th June 9.15am

How you can help...

We hope this guide will help you to get further involved in your child's education. You could:

- Visit the **local libraries** for information and research purposes
- Search the internet and **discuss any of our topics**
- Look out for **TV programmes/ podcasts to watch** and/or record
- Find **story books, poetry books, song books or newspaper articles** related to topics
- Support your child in **learning their spellings** and understand the meanings of these spellings
- Practise **multiplication tables and related division facts** on a weekly basis
- Use mathematics based websites to **play games** and support the topic your child is learning
- **Listen to your child read** on a regular basis and discuss their text
- Encourage your child to **bring in research from home** to share with the class/discuss their own personal experiences
