Creating our future by learning together

Female Genital Mutilation (FGM) Statement

'At St. Katherine's School, we will believe that all our pupils should be kept safe from harm. Female Genital Mutilation affects girls particularly from North African countries, including Egypt, Sudan, Somalia and Sierra Leone. Although our school has no children from these backgrounds at present and we consider girls in our school safe from FGM, we will continue to review our policy annually.'
